UPCOMING EVENTS:

DISTRICT CLOSED
Veterans Day
Nov. 11

7/8 BAND AND CHORUS CONCERT
Nov. 30 @ 7 p.m.

UPCOMING ATHLETIC CONTESTS
On ScheduleGalaxy

FUN FALL ACTIVITIES

Mrs. Eaton's Ag and Tech classes went through the process of making their own cider in October! After grinding up the apples, they put them in a press to squeeze out all of the juices! Afterward, they had a chance to taste it themselves!

DRAWING THE PLANETS

Mrs. Newhouse's 8th grade science class made a scale model of the solar system in chalk on the sidewalks last month! They used mathematical proportions to calculate the diameter of each planet and their distance from the sun!

LEARNING WITH LEGOS

Some of our students have been working with Legos in the older gymnasium! It's a fun activity that teaches the students collaboration, cooperation, and problem solving!
