HOLIDAY RECESS

UPCOMING ATHLETIC
CONTESTS
On ScheduleGalaxy

TESTING FOAM ROCKETS

Our 7th graders prepared for the historic launch of NASA's Artemis I Mission by building and testing rubber band rockets in science class to work on both engineering skills and teamwork! The floor of the atrium made a perfect target!

STUFFIES DELIVERED

Mrs. Milliken's FACS students delivered the Monster Stuffies they made for kindergarteners! They were accompanied by small booklets they made in Ms. Misiano's class with vocabulary words about monsters in English, Spanish and French!
[SEE MORE ON THE DISTRICT'S FACEBOOK PAGE!](#)

VALUABLE EXPERIENCE

Our Independent Living students at DMS had mock job interviews with various staff members! They had valuable practice answering questions under some pressure!
