Director of Health and Athletics

September 2021

Dear Mustang Parents,

You are cordially invited to attend the **Marcellus Senior High School Open House** on Thursday, **September 23, 2021 from 7:00 p.m. to 9:00 p.m.** Attending this program will give you an opportunity to:

- meet each of your child's teachers
- receive an overview of the curriculum in each class
- learn about teachers' expectations for your child
- make appointments for individual conferences
- tour the building

During Open House you will follow your child's class schedule. You can download and print a copy of it from School Tool or have your child fill out the back side of this letter. Classes will be conducted in 10-minute segments beginning at 7:00 p.m., with five minutes provided to pass from class to class. **For the purposes of this event, it will be an "A" Day.** If your child has a double class period of science/science lab, please attend his/her physical education class during the lab period. Members of our Transition Team will be available to help with directions.

During your child's study hall or lunch period, we encourage you to visit our library for refreshments.

We anticipate that a large number of parents will attend this event, so we encourage you to come early. In the past, traffic has become very congested around the building, and our parking lots fill up quickly. We encourage those who live nearby to consider walking.

Sincerely,

John R. Durkee
Principal
