7th Grade Supply List for September 2023

Dear Parent or Guardian,

Congratulations on completion of another school year! We hope that you and your family will have a wonderful summer together! To help prepare your 7th grade child for the beginning of the school year, we have created a school supply list.

We know the transition to 7th grade is a big one. We are hoping that by providing you with this guidance that we can streamline your student's day and start their year off in an organized fashion. All we are asking you to do is purchase the materials and send them with your child on the first day of school. We will be working with your child to set up their organizational system. Students can choose between having 2 smaller binders (one AM, one PM) or a larger binder to use for the whole day. Students have use of full size lockers.

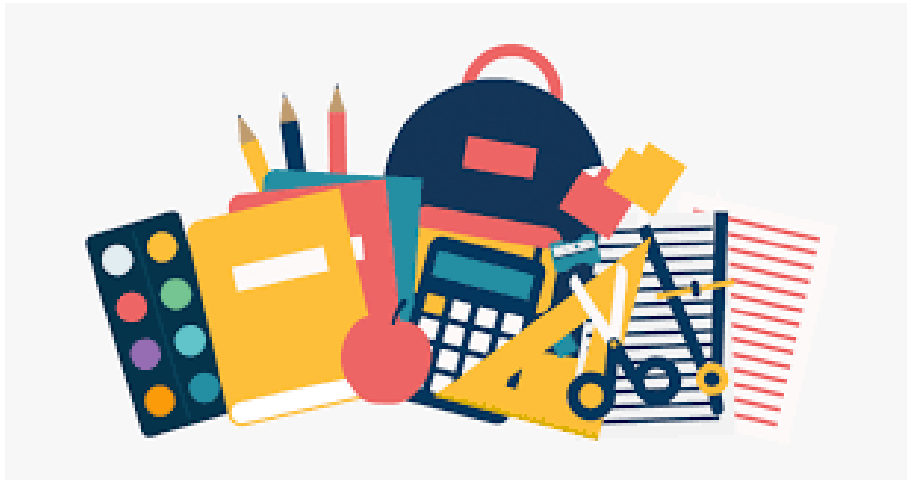

If you feel that anything on the list will cause you financial hardship, please contact our school counselor, Mr. Eric Guercio at eguercio@marcellusschools.org.

Enjoy your summer and we look forward to seeing you in September!

Sincerely,

The 7th Grade Team
