

Marcellus Academic Club

Marcellus Academic Club started in 1998 as a small community group trying to figure out how to become more involved in our children's education, and how to recognize our graduating seniors, especially those who had consistently maintained honor roll status throughout high school. Our efforts were so successful that our mission expanded to include supporting academics in general and to encourage and recognize academic achievement and learning for all students, K - 12. MAC is a non-profit organization fully recognized by Marcellus Superintendent Dr. Craig Tice and by the Marcellus Board of Education.

Application for Involvement:

Yes, I would love to support the Marcellus Academic Club and its programs that encourage, support, and recognize excellent academic achievement and growth, including the performing arts.

Name: _____

Address: _____

Phone (Home): _____ (Work): _____
